

MD HADIUZZAMAN

Data Analyst

Motivated and analytical Junior Data Analyst with a strong foundation in statistical analysis, data visualization, and database management.

Proficient in Python, SQL, and Excel, with hands-on experience from academic projects and internships. Skilled in data cleaning, analysis, and visualization. Strong problem-solving abilities and a keen eye for detail. Eager to apply my analytical skills to extract actionable insights and support data-driven decision-making. Enthusiastic about contributing to a dynamic team and growing in the field of data analytics.
